16th May 2014

To: Principals of Member Schools

(Attn: Principal, Vice-principals, Careers Teachers, Guidance Teachers, Class Teachers)

Counseling Workshop Series (I) –
Counseling students with Autism spectrum disorder
學生輔導工作坊系列(一) – 如何輔導自閉症學生

Dear Principal, Vice-principals & teachers

In light of the rising number of students with special educational needs, teachers face new challenges in providing counseling service at school. They need to keep abreast of ways of identification of SEN students and the professional knowledge about handling their emotional and social problems.

We are pleased to inform you that our Association will organize the captioned seminar with a focus on students with Autism spectrum disorder on Tuesday, 10th June 2014 from 2pm to 4pm at Holy Trinity College. We are in great honour to have Dr Leung Chi Hung of the Hong Kong Institution of Education to be our speaker. The programme details are as follows:

Date:	10 June, 2014 (Tuesday)
Time:	2:00 - 4:00pm
Venue:	Activity Centre (Rm 413), Holy Trinity College, Shek Kip Mei
Target:	Secondary school counseling teachers, career teachers and class teachers

You are cordially invited to join our workshop and share your frontline experience with the speaker and the audience. As seats are limited, places are allocated on a **first-come-first-served** basis. Please reply by completing the on-line registration through the link <http://goo.gl/tBVvNJ> on or before **3 June, 2014 (Tuesday)**. Notification email will be sent to applicant's email account by **6 June, 2014 (Friday)**.

For further enquiries, please contact Ms Leung at 2671 1722.

Yours faithfully,

Joseph Tsang
Vice-chairperson

Dr LEUNG, Chi Hung 梁智熊博士
PhD (Psychology), The University of Melbourne

Assistant Professor / Department of Special Education and Counselling, HKIEd

Dr Chi-hung Leung joined the Hong Kong Institute of Education as Assistant Professor of the Department of Psychological Studies. He is a Chartered Psychologist with practising certificate at The British Psychological Society. He has been granted the member of the APS College of Developmental & Educational Psychologists since 2004. He is currently teaching Research Methods, Human Development, and Children with special needs courses. He is now conducting a study of “Use of Filial Play Model to Enhance Teacher-Child and Parent-Child Relationships, and children’s social competence” and leading a TDG project of “Developing and evaluating e-portfolio for the final year project (FYP)”. He has taught various psychology subjects for nearly 14 years. His research focuses are (a) Play and social competence, (b) Chinese parenting practices, (c) Learning effectiveness among University students, and (d) Assessing moral development of preschool children.
