Dear Principals and career teachers,

Korea Study Mini Expo in Hong Kong on 5 & 6 January 2018

A Korea Study Mini Expo 2018 jointly organized by the Hong Kong Association of Careers Masters and Guidance Masters (HKACMGM) and the Association of Hong Kong Chinese Middle Schools (HKCMS) will be on 5th and 6th January 2018 in Hong Kong.

In the visit of the HKACMGM delegation to 5 universities in Seoul in July, we were delighted to learn that various measures are in place to encourage international students to study in Korea. With quality education and diverse fields of study available, we strongly believe that further studies in Korea will be an invaluable pathway to students in Hong Kong after they complete their secondary education.

Therefore, HKACMGM joins hands with the Association of Hong Kong Chinese Middle Schools in organizing the captioned Korea Study Mini Expo so that admission officers of participating universities can engage in in-depth quality discussion with school leaders, teachers, students and their parents.

Prestigious universities joining the mini expo are:
