- All relevant subjects will be given a weighting in the calculation of admission scores. Core subjects as specified in the University General Entrance Requirements will be given a weighting of at least 7 whilst preferred subjects will be given a weighting of 10. All other subjects (including relevant Applied Learning subjects) will be given a weighting of at least 5. The following subject weighting will be adopted for scores calculation:
 - Core - 10 or 7
 - Preferred - 10
 - Others - 7 or 5
- Extended Modules of Mathematics will be treated as a single subject in calculating the admission scores.
- Individual Broad Disciplines (BDs) / degree programmes may consider one relevant Applied Learning (ApL) subject in admission consideration. An "Attained with Distinction" level in relevant ApL subjects will be taken as Level 3 in admission consideration.
